Dear Chief Papa,

Hello, my name is Dan Anderson. I'm a Bureau Chief for United Reporting – Crime Beat News, an online news service publishing arrest information and crime stories on Crimevoice.com and Localcrimenews.com. We also publish through syndication partners, such as the Sacramento Bee and San Francisco Chronicle, and for law enforcement at CaCrimeNews.com.

Being a statewide publisher, we enable our readers to find out which local residents have been arrested, even if it happened far from home. For example, if a Riverside resident is arrested in Indio, he would show up for readers in Riverside. Likewise, if your department arrests a Sacramento resident, we would like to be able to report that to our Sacramento readers.

On behalf of my publisher, I am requesting arrest logs with arrestee identifiers releasable under Govt. Code 6254(f)(1-2-3), including: suspect name, arrest date, DOB, race, violation code and last known address (see enclosed list). Our request is pursuant to Govt. Code 6254(f)(3) – and as such I've attached my signed declaration specifying our journalistic use of this information.

We request a copy of this information in electronic format, pursuant to Govt. Code 6253.9. The most common method for agencies to provide records per our request is through an email, in either Excel format or as a .pdf file. Some agencies even fax records to us, but for clarity and accuracy, we much prefer direct transmission. We would be requesting these logs to be sent weekly. Our goal is to make the process as easy, efficient, and accurate as possible. We would be happy to send a weekly records request to your records staff via email if needed as a reminder or documentation.

I have enclosed a list of county counsels who have reviewed our request. Please respond with any questions, and let me know if there is anything else I must provide or correct to satisfy statutory requirements.

Thank you,

Dan Anderson – Bureau Chief
